

Terms of Use

Circon Energy LLC

Effective September 1, 2026

CIRCON ENERGY LLC TERMS OF USE

Circon Energy LLC and its subsidiaries and affiliates (collectively “Circon” or the “Company”) operate circonenergy.com and its subdomains (the “Site”). These Terms of Use (the “Terms”) govern your access to and use of the Site. Please read them carefully.

Acceptance. By accessing or using the Site you agree to be bound by these Terms and by the Circon Privacy Policy, which is incorporated here by reference. If you do not agree, do not use the Site.

Informational Purpose Only. The Site is provided for general information about Circon, its technology, its projects and its people. Nothing on the Site is a contract, a commitment, or an offer capable of acceptance, and nothing on it creates a business, advisory, fiduciary or professional relationship between you and Circon.

No Offer of Securities. Nothing on the Site constitutes an offer to sell, or a solicitation of an offer to buy, any security, interest or investment product, in any jurisdiction, to any person. No content on the Site is directed at, or intended for, any person to whom such an offer or solicitation would be unlawful. Any offering of securities by Circon or any of its affiliates is made solely to eligible investors, by means of definitive offering documents, and in reliance on applicable exemptions from registration. Information on the Site is not part of, and must not be relied upon in connection with, any such offering.

Forward-Looking Statements. The Site contains forward-looking statements — statements that are not historical fact, including those concerning design capacity, project timelines, permitting, financing, feedstock supply, offtake arrangements, environmental performance, employment and market conditions. Forward-looking statements are identifiable by words such as “expects,” “plans,” “targets,” “estimates,” “projects,” “intends,” “will” and similar expressions, and by the context in which they appear. They reflect Circon’s views as of the date stated and rest on assumptions that may prove incorrect. Actual results may differ materially. Design figures are not operating results. Circon undertakes no obligation to update any forward-looking statement, whether as a result of new information, future events or otherwise, except as required by law.

Third-Party Data and Sources. Certain information on the Site is drawn from third-party sources, which are generally identified where used. Circon believes those sources to be reliable but has not independently verified them and does not warrant their accuracy or completeness.

No Professional Advice. Content on the Site is not legal, regulatory, tax, financial, investment, engineering or environmental advice, and must not be relied upon as a substitute for advice from a qualified professional retained by you.

Permitted Use. You may view, download and print content from the Site for your own informational, non-commercial use, or for legitimate internal business, journalistic or research purposes, provided that you do not remove or obscure any copyright, trademark or other proprietary notice, and that you do not present the content in a way that misrepresents its meaning or its source.

Prohibited Use. You must not:

- use the Site in any way that breaches applicable law or regulation, or that is fraudulent or has a fraudulent purpose or effect;
- copy, reproduce, republish, frame, mirror, sell, licence or otherwise commercially exploit any part of the Site except as these Terms permit;
- use any robot, spider, scraper or other automated means to access the Site, or to extract, compile or index its content, including for the purpose of training a machine-learning or artificial-intelligence system, without Circon's prior written consent;
- attempt to gain unauthorised access to the Site, the servers on which it is hosted, or any connected system, or probe, scan or test its vulnerability;
- introduce any virus, worm, logic bomb or other material that is malicious or technologically harmful, or interfere with the proper working of the Site; or
- use the Circon name or marks, or any content from the Site, in a manner that suggests an endorsement, affiliation or partnership that does not exist.

Intellectual Property. All content on the Site — including text, graphics, photographs, illustrations, maps, diagrams, video, data, layout, design and source code — is owned by Circon or its licensors and is protected by copyright, trademark and other intellectual property laws. Except as expressly stated in these Terms, no licence or right is granted to you in respect of that content.

Trademarks. CIRCON, the circon logo, THE CARBON REVOLUTION® and other names, logos and marks appearing on the Site are trademarks of Circon Energy LLC. Their use is governed by the Circon Trademark Usage Policy. Third-party names and marks appearing on the Site are the property of their respective owners and are used for identification only; their appearance does not imply any endorsement or association.

Links to Other Sites. The Site may link to third-party websites and resources. Those links are provided for convenience only. Circon does not control, endorse or accept responsibility for the content, products, services or privacy practices of any linked site, and your use of a linked site is at your own risk and subject to that site's own terms.

Linking to the Site. You may link to the Site's home page provided you do so in a way that is fair and lawful, does not damage or exploit Circon's reputation, and does not suggest any association, approval or endorsement where none exists. You must not frame the Site on any other website or present it as your own.

Submissions and Correspondence. If you send Circon an enquiry, comment, proposal, idea or other material through the Site or to an address listed on it, you confirm that it is your own or that you are entitled to submit it, that it is not confidential unless separately agreed in writing, and that Circon may use it for the purpose for which it was submitted without obligation or compensation to you. Do not submit confidential, proprietary or personal information you do not wish Circon to hold. Unsolicited business proposals are not accepted on a confidential basis.

Privacy and Cookies. Personal data collected through the Site is handled in accordance with the Circon Privacy Policy. The Site's use of cookies and similar technologies, and your control over it, is described in the Circon Cookie Policy.

Availability. Circon does not warrant that the Site will be available uninterrupted or error-free. Circon may suspend, withdraw, discontinue or change all or any part of the Site without notice and without liability.

Disclaimer of Warranties. The Site and its content are provided “as is” and “as available.” To the fullest extent permitted by law, Circon disclaims all warranties, express or implied, including any implied warranties of merchantability, fitness for a particular purpose, title, non-infringement, accuracy, completeness and currency, and any warranty that the Site or its content is free of viruses or other harmful components.

Limitation of Liability. To the fullest extent permitted by law, neither Circon nor its directors, officers, employees, agents or licensors will be liable for any indirect, incidental, special, consequential, exemplary or punitive damages, or for any loss of profit, revenue, business, goodwill, data or anticipated saving, arising out of or in connection with your use of, or inability to use, the Site or any content on it, whether in contract, tort (including negligence), statute or otherwise, and whether or not Circon was advised of the possibility of such loss. Nothing in these Terms excludes or limits any liability that cannot lawfully be excluded or limited.

Indemnity. You agree to indemnify and hold harmless Circon and its directors, officers, employees and agents from any claim, liability, loss, damage, cost or expense (including reasonable legal fees) arising out of your breach of these Terms or your misuse of the Site.

Export and Sanctions Compliance. The Site is not directed to any person in any jurisdiction where its publication or availability would be contrary to law. You may not access or use the Site if you are subject to applicable trade sanctions or export-control restrictions that would prohibit it.

Governing Law and Venue. These Terms, and any dispute or claim arising out of or in connection with them or with your use of the Site (including non-contractual disputes or claims), are governed by the laws of the State of Texas, without regard to its conflict-of-laws rules. The state and federal courts located in Harris County, Texas have exclusive jurisdiction, and you consent to their personal jurisdiction and venue, except that Circon may seek injunctive relief in any court of competent jurisdiction to protect its intellectual property. If you are a consumer resident in a jurisdiction whose law grants you the benefit of mandatory local protections, nothing in this paragraph deprives you of them.

Severability and Waiver. If any provision of these Terms is held unenforceable, the remainder continues in full force. Circon's failure to enforce any provision is not a waiver of it.

Changes to these Terms. Circon may revise these Terms at any time by posting a revised version on the Site. The version in force is the one published here, and the date it took effect is stated on the cover of this document and on the Site. Your continued use of the Site after a revision takes effect constitutes acceptance of it.

Contact. Questions about these Terms may be sent to info@circonenergy.com, or by post to Circon Energy LLC, 25511 Budde Road, Suite 2801, The Woodlands, TX 77380, United States.
